MASTER DIGITAL CATALOG

A close-up photograph showing two individuals working on a tan-colored tactical bag. The bag features multiple straps, buckles, and zippers. One person, wearing a brown shirt, is holding the bag, while the other, wearing a grey long-sleeved shirt and a black watch, is using a blue-handled screwdriver to adjust a component. The background is slightly blurred, showing a workshop or store environment with wooden shelves and a red maple leaf decoration.

DESIGNED FOR THE FIELD

A person wearing a tactical vest and a cap is shown from the side, looking out over a river and a forested landscape. The entire image is overlaid with a red tint. The vest has a patch that reads "FOX TACTICAL™".
