OUTDOOR PRODUCTS™

# ***2016 MASTER CATALOG***

***DISTRIBUTORS OF TACTICAL, ENFORCEMENT, MILITARY AND OUTDOOR GEAR***

## Dear Valued Customer,

We are pleased to offer you our **2016 Master Catalog** which incorporates and features items covering all of our 7-brand/product categories. The product index has been revamped to make it more user friendly, and we have made some minor changes to our terms and conditions. To make things simpler, we can supply you with a Fox jump drive, which will have everything displayed (2016 Master Catalog, Insertion, and Supplement + all Fox logos). This **2016 Master Catalog** publication can be viewed and downloaded on our web site at [www.foxoutdoor.com](http://www.foxoutdoor.com) along with the corresponding price guides. Upon request, a price list and other Fox print publications can be mailed for your convenience.

Along with the **2016 Master Catalog**, we will be publishing and distributing a **2016 New Product Supplement** featuring all NEW items. We are proud to introduce a select grouping of concealed carry/covert gear; personal protection items; new t-shirts, shorts, caps and hat, and gloves; numerous Fox Adventure™ camping and outdoor items; and Fox Essentials™, including knives and lighters.

If you have questions or comments regarding any of the new items or require samples, please let us know and one of our product experts will be available to speak with you.

In the early part of 2015, we totally revamped our [www.foxoutdoor.com](http://www.foxoutdoor.com) website. This site is not only technologically state-of-the-art, but also user friendly. You will notice a Dashboard upon login, and a Dual cart feature. There is also a new drop-down option, **Featured this Month**, which updates you on all new items, seasonal promotions, discontinued items and more! Our site has become the primary vehicle for communication with our clients. We encourage you to log in on a regular basis so that you can stay abreast of everything that is going on at Fox Outdoor Products™. We welcome any input and ideas from our customers that would further enhance the site and make it even more user friendly!

We truly appreciate and value your business and are committed to 2 primary objectives, which have been our operating philosophy since the company was founded 35 years ago:

- To provide the best possible purchasing experience with outstanding customer service. We truly care and try our best to satisfy all of your needs!
- To provide our valued clients with **QUALITY and INNOVATIVE products at a VALUE PRICE.**

We wish you continued success in the year 2016. **Thanks for your loyalty and friendship.**

## FOX OUTDOOR FABRICS

Wherever specified, genuine **Multicam®** fabric is manufactured exclusively by Duro Industries and consists of heavyweight Cordura® Nylon.

Many of our products are made of rugged Tactical Polyester. This is a highly durable heavyweight polyester with a PVC coating that resists abrasion and tearing under extreme conditions. It also enhances the weather resistance of the fabric. 1000 Denier Tactical Backpacks are made of 3x P.U. Coated Tactical Polyester.

Whichever product you choose, you'll know you're getting the best quality products available today...

**GARY HARPSTER**  
ABN TACTICAL

My disaster and emergency response experience started at age 18 on June 9th 1972 just shortly after joining the United States Air Force. While station at Ellsworth Air Force Base, after a week of heavy Spring rains, a wall of water came out of the mountains and hit the town of Rapid City outside the base.

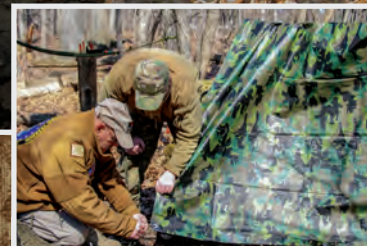

As the years went along both in and out of the military, I continued developing outdoor survival and disaster skills training. In addition to the professional or business side of the outdoor industry I was actively involved with youth programs serving for over 20 years with the Y.M.C.A. Civil Air Patrol and Boy Scouts of America. In 1987 I became one of the owners of the Bold Eagle Outdoor Team (Bold Eagle Enterprises Inc.) a company which specialized in assisting major national and international corporations in outdoor product testing and design, (such as Remington, Yamaha, and Old Town, working with large retailers (such as Burger Brothers and United Stores) in product selection and worked with the public and national media in outdoor skills education and survival skills.

In addition during this time I was a member of the popular NPR television series "Call of the Wild", with Ron Schara and Cindy Bruco. I regularly appeared on Radio and Television as a guest speaker and headlined classes and seminars at major outdoor shows on subjects from family camping to outdoor survival.

My training and experience in the Military includes working as a loadmaster on C-130 aircraft and as a flight medic on the Bell UH-1 Iroquois (unofficially Huey) helicopters. During this time I also served as a member of the US Military's Winter Operations Instructor Cadre. I was involved with the development of one of the upper Midwest's K-9 Search and Rescue Teams and served as its president for several years. I was actively involved in multiple Search and Rescue operations with multiple civilian and government agencies. When FEMA (Federal Emergency Management Agency) became reorganized in the early 90's I worked with F.E.M.A. as a volunteer and a member of the Marion County Search and Rescue Task Force.

Since 2004 I have worked with Federal Emergency Management Agencies disaster response team as an independent contractor, responding to disasters including Hurricane Katrina up through Hurricane Sandy. As the Director of ABN Tactical, our staff continues to work with the public, Military and law enforcement communities in training and equipment procurement.

Gary Harpster - ABN Tactical

# SABRE

**Sabre Red** - Sabre Red combines the powerful inflammatory effect of Red Pepper with an invisible ultraviolet dye to aid in suspect identification. Independent laboratory testing found Sabre Red to be from thirty (30) percent up to twenty-seven (27) times stronger than the other available pepper sprays! *Cannot be sold in Michigan, New York and Wisconsin.*

**Sabre Advanced 3-in-1 Formulation**

- All Sabre products contain red pepper, "Super" CS "Military" Tear Gas and an invisible ultraviolet dye to aid in suspect identification. SABRE's inflammatory (OC) and irritation (CS) effects provide maximum stopping power! *Cannot be sold in Hawaii, New York and Wisconsin.*

## ORDERING:

- \$500.00 minimum domestic order
- \$1000.00 minimum international order
- Our order desk is open from 8:30 a.m. to 5:00 p.m. Central Standard Time (CST), Monday through Friday. In the event that your call is not answered, please leave a detailed message on our voice mail system and your call will be promptly returned. Orders may also be faxed to 708-338-9210, emailed to [jazlin@foxoutdoor.com](mailto:jazlin@foxoutdoor.com) or placed online at [foxoutdoor.com](http://foxoutdoor.com) twenty-four hours a day, seven days a week.

## PRICES:

Due to fluctuations in labor, material, and currency, prices are subject to change without notice. Real time price lists are available at all times by logging into our website.

## TERMS:

C.O.D., company check or net 30 day terms are available to accounts with approved credit. To establish credit, an application must be submitted. Please allow 30 days for credit check. Failure to pay invoices by the due-date, may result in the termination of the net term status. All other accounts will be shipped on a C.O.D. basis, by money order, certified check, or wire transfer. Visa, Mastercard, American Express & Discover credit cards are also accepted.

## SHIPPING:

All shipments are F.O.B. Melrose Park, IL, USA.

## SURPLUS GOODS:

All items are in used, repaired condition, unless noted otherwise. Sizes may vary. *All surplus items subject to availability.*

## MATERIAL CONTENT & COLOR:

All Fox Tactical™ gear is constructed of weather resistant, rugged tactical polyester, unless noted otherwise. Genuine Multicam® is a heavyweight Cordura® nylon. All canvas items are made of 22 oz. heavyweight cotton material unless otherwise noted. Some are constructed with Genuine Leather Trim.

## MAP (Minimum Advertised Price) POLICY:

A MAP Policy is in effect to perpetuate the success of our entire network of dealers and to maintain the high value and quality image of all Fox branded products. All of our dealers are required to advertise at or above the Minimum Advertised Price (MAP). By adhering to this policy, it will ensure the further profitability of all of our dealers while offering consumers quality products at affordable prices. Dealers who fail to comply with the stated policy risk the ability to purchase certain product categories and/or the suspension of their account. Please refer to our website for further details on our MAP policy.

- You may report all violations via email at [MAP@foxoutdoor.com](mailto:MAP@foxoutdoor.com)
- The current MAP Policy can be found via our website under welcome > MAP Policy or request for a copy to be emailed or sent via mail.

## BACKORDERS:

Items out-of-stock will be backordered unless a “no backorder” policy is requested. You will be contacted within 60 days of when the item is suppose to arrive by one of our sales/ customer service representatives advising you of product availability. At that time, you will have the opportunity to make adjustments or additions to your backorder. You can also add backordered items to your “Wish List” found on our website, where you will be emailed when items have been received and are in stock.

## RETURNS & CLAIMS:

- No returns will be accepted without authorization (all returns subject to Fox Outdoor Products discretion).
- All returns must have an RA (Return Authorization) code.
- Defective merchandise must be returned, freight prepaid, within 10 days of receipt of goods. If the returned merchandise is soiled, worn, or bears markings, stickers, or tags not originally on the product, it will not be accepted for credit.
- Photographs of the item, the defect, and the Fox sewn-in tag found inside the main compartment of our items must be sent to [Kelsey@foxoutdoor.com](mailto:Kelsey@foxoutdoor.com) so we can determine how to best handle the situation. This will also allow us to send the information on to our vendors so that the product issue can be corrected for future productions. For more information, you can find this info via our website under welcome > Return Policy or request for a copy to be emailed or sent via mail.
- All claims on products sent or missing must be made within 7 days of receipt of goods.
- In the event that merchandise is lost or damaged in transit; it is the customer's responsibility to notify the carrier at the time of delivery. We are not responsible for damage, pilferage, or loss that occurs in transit. Please call and we will assist with freight claims and provide any needed documentation.

## PRODUCT WARRANTY:

All Fox Outdoor Products™ are rigorously tested to ensure that our stringent standards for durability and quality control are met. We are so confident of the quality of our product line, that each item is cover by a limited warranty.

Fox Outdoor Products™ guarantees its products for a period of 1 year from the original purchase date. This warranty only covers product failure due to manufacturing or material defects. The warranty does not cover damage caused by normal wear & tear, improper use, damage by weather or natural climate conditions, and the national breakdown of the material or color.

The repairs or replacement of any product is at the sole discretion of Fox Outdoor Products™. Any and all claims require proper documentation, i.e. original dated receipt, and can be made directly to an authorized Fox Outdoor Products™ dealer.
